# Around Gloster Street

## UPCOMING...

As we do each fall, we will have our **Trunk-or-Treat / Chili Supper** on Sunday, October 28, after our evening service. This is always an enjoyable time for both adults and children. Special thanks to **Rusty & Jill Palmer** and **Ronnie & Diane Parker** for organizing this event.

## DON'T FORGET

Our Gospel Meeting at Gloster Street will take place **November 4-7**. Brother **Wayne Kilpatrick** will be with us and will be presenting lessons on "The Restoration Movement." Brother Kilpatrick teaches Restoration History at Heritage Christian University in Florence, Alabama. His lessons will be both foundational and faith-building. Please make your plans to be present, and invite a friend to join us during this effort.

## SPEAKING OF MEETINGS...

This is the time of year when many of our sister congregations host Gospel Meetings. We post the notices we receive about these meetings on our bulletin board. Some information about upcoming Gospel Meetings in our area is also listed on the inside of this bulletin. If possible, take advantage of these opportunities to worship, learn, and fellowship.

May God Bless You All!

*Chad Ramsey*

## Just For Fun

### A Math Problem From Acts

1. Take the approximate number added on Pentecost.
2. Divide by the number of brethren who accompanied Peter to Cornelius' house.
3. Subtract the number who were on the ship the wrecked at Melita.
4. Multiply this answer by the number of years Eneas had kept his bed before Peter healed him.
5. Add to this the approximate number who were rebaptized.
6. Divide by the chapter number in which Barnabas sold a field and brought the money to the apostles.
7. Multiply by the number of apostles at the time this book began.
8. Add to this sum the number of chapters in this book.
9. Subtract the number of virgin daughters Philip had who prophesied.
10. Finally, add the number of verses in the shortest chapter of this book.

The Answer will be the number of men who believed in Acts 4:1

#### Last Week's Answers:

1. Peacocks, 2. Sparrows,
3. Ravens, 4. Quail,
5. Turtledoves or Pigeons,
6. Owls, 7. Eagles,
8. Ostriches, 9. Cock,
10. Dove.
